

Mission San Miguel

Welcome Letter

Welcome to Mission San Miguel! As you have now moved into your new home, there are a few items to share with you.

- Front Gate Entry System: An attached letter explains how the Front Gate Telephone Entry System works. Currently, the front gate remains closed except from Noon to 5:00 PM on Saturdays and Sundays. When closed, your guests may use the system to request entry. Please email me with your telephone number so that I can enter your name into the system.
- Front Gate Transmitters: You may purchase remote control gate openers for less than \$20 each (see Gate Transmitter memo).
- Website Registration: If you have not already created an account on our website, please do. The website contains our neighborhood calendar which is used to make reservations for the Community Center. The website address is <http://sanmiguelneighborhood.com>. Another attached letter explains the reservation process.

Sincerely,
